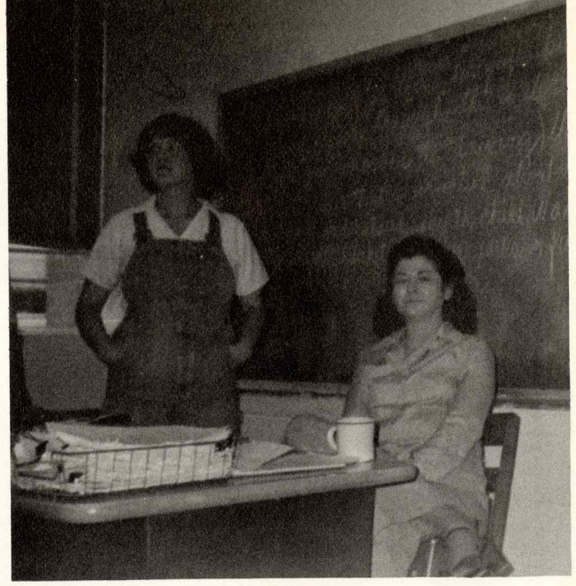
1981 MOMENTS DEDICATION

The 1981 Moments Staff proudly dedicates this year's annual to a person who has dedicated her time and talent to the students of Magnolia Junior High. Since she first began teaching here, she has given untiringly of her time, talents, and abilities to the betterment and education of her students.

Her devotion, hard work, sincere smile, and cheerful attitude are a few of the reasons she is well like by MJHS students. Believing in all people, she feels that one will get out of life what one puts into it. Certainly, Mrs. Lynn Thompson gets a great deal out of life.

Recognized as one of the outstanding teachers by all her students, Mrs. Thompson works especially hard to be certain that her students have a good foundation before going to the high school. In our memories of Magnolia Junior High School she will stand out as one who has helped to make our Junior high years more fruitful.

It is with pride and honor that we dedicate this our 1981 Moments to Mrs. Lynn Thompson.



MRS. LYNN THOMPSON

During the 1980 season the Magnolia Junior High TIGERS were only able to win 3 out of 8 games, but according to Coach Doug Blakeney, "If there weren't such a thing as a scoreboard we would have been district champion contenders." But then again if IF'S and BUTS were candy and nuts we'd all be district champs.

We would like to thank head coach Blakeney and assistant coach Steve Phillips for all their dedication hard work put forth to make this season a memorable one.

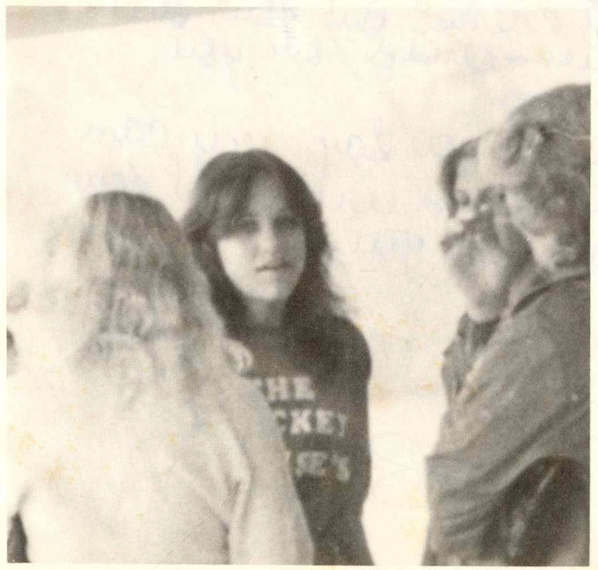
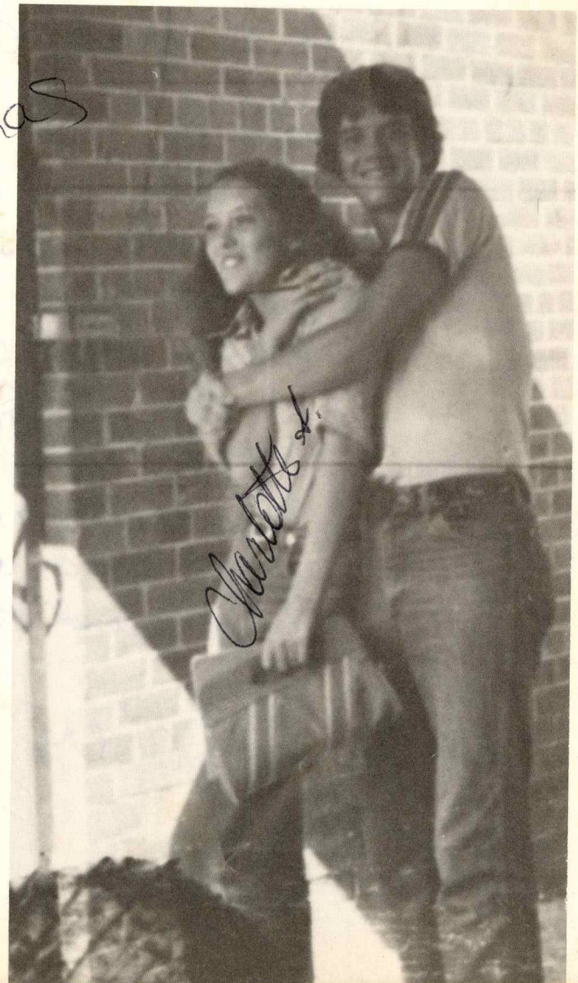
STEVE





JUST A SECOND

We the members of the 1981 Moments Staff, in order to form a more perfect annual, have been through many trials to present these '81 memories.

The sixth period annual staff has suffered through-50 Westfaul temper tantrums, 12 spastic fits of Eric, and have interrupted sixth period classes 131 times.

We have built up our courage 26 times in order to face Mr. Hoitt and have made Mailfoto a monopoly.

We made 5,339 mistakes, 7 long distance phone calls, used 47 pencils to the nub, chewed 70 packs of gum, bought 14 packages of batteries, flooded the dark room 12 times, screamed at Lariyne 42 times, laughed at Felecia and Rhonda every day, and taught Christi nothing.

In completion of the 1981 Moments, we Freshmen, Lariyne, Eric, Steve, Jay, Carl, Rhonda, Felecia, Mitchell, and Kenny have become immortal enemies from having to cope with each other in sixth period for nine months straight.

After all this displeasure, if you for some odd reason you do not like and cherish your '81 Moments ...
